

OWL PAINTING

MATERIALS

Black & brown paper
Yellow & white paint
Sticky stars
Glue
Scissors

- Cut the owl's body from the brown paper and stick to the bottom of the black paper background.
- Cut the owl's head from the remaining brown paper and stick to the top of the owl's body.
- Dip your finger in the white paint and press it onto the side of the owl's body to make the wings.
- Paint the eyes and beak using white paint and add detail with the yellow paint.
- Stick some stars on the background to create a night sky.
- Display your owl!!
